

Water Service Ball Valve

Scope of Use / Specification Sheet

RMC Water Service Ball Valves are a proven industry leading design and Watermarked to both AS 4796 and AS 5200.

Product Code		
Model	Size	Product Code
Long Handle – F&F	20mm	BVLH75FF
Long Handle – M&F	20mm	BVLH75MF
	25mm	BVLH25MF
Long Handle – M&F – Recycled	20mm	BVLH75MF-R
	25mm	BVLH25MF-R
Short Handle – Straight Ball Valve	DN20	BVSH75MF
90° Valve – F&F	20mm	RB9020FF
	25mm	RB9025FF
90° Valve – F&F – Stainless Steel*	20mm	RB9020FF-SS
90° Valve – M&F	20mm	RB9020FM
90° Valve – C&F	20mm	RB9020CF
90° Valve – F&F – Recycled	20mm	RB9020FF-R
90° Valve – C x NSW Meter Coupling	20mm	RB900
90° Valve – F x NSW Meter Coupling	20mm	RB902
	25mm	JB250
90° Valve – C x BSP Meter Coupling – Recycled	20mm	RB904-R
90° Valve – F x Meter Coupling	25mm	JB251

* Full Stainless Steel Construct

Features and Benefits

- Forged DR gunmetal body
- Bottom loading, dual o-ring sealed stem
- Resilient seats
- 90° right angle (F&F) and straight through (M&F, F&F) versions
- Lockable in either open or closed position
- Common base connection configuration
- Long life performance through its high quality components
- Light weight construction for ease of handling
- Quality guaranteed Water Marked product
- Lilac handled ball valves for recycled applications

Description

The Water Service Ball Valve range comes in sizes from 20mm to 25mm, in both right angle and straight configurations. RMC can also supply a range of fittings (compression, capillary etc.) to suit most connection needs.

Note: Product material configuration may vary over size range.

Water Service Ball Valves

Technical Specifications

Maximum Pressure	1600kPa
Maximum Temperature	60°C

Standards and Approvals

AS 4796
AS 5200

Installation

Installation is subject to the requirements of the applicable regulatory authority, the National Construction Code Volume Three – Plumbing Code of Australia, associated reference standards as applicable at the time and AS/NZS 3500.1.

Warranty

Reliance Worldwide Corporation (Aust.) Pty. Ltd. (RWC) will either replace or repair any defective goods where the defect arose as a result of manufacture within the warranty period. You may contact RWC at the phone number, address or e-mail shown below for further information or to make a claim.

Visit www.rmc.com.au/warranty to view the warranty statement in full and for further important information.
